

Volunteering for a Healthier Community

Register your interest in volunteering

The South Central Ambulance Charity is looking for more volunteers from your community to work as Community First Responders, Volunteer Car Drivers and charity supporters. Our current volunteers say that this work is one of the most rewarding aspects of their lives.

Do you have what it takes to help out in a medical emergency, or help people attend medical appointments, while supporting your local community, South Central Ambulance Service and its charity? We're looking for people of all ages, backgrounds and walks of life. All you need is the desire to get involved and some free time – we'll help with the rest, to ensure that volunteering with us suits your lifestyle.
